God's Presence With Us

I love to linger outdoors in the warm evenings of spring and summer, and watch the stars reveal their presence in the dwindling light of day. Gazing upon the welcoming darkness of the heavens, the radiance of God's creation shines with enduring faithfulness. Twinkling starlight, always shining even though not always visible, a familiar reminder of God's steadfast presence in our midst.

The radiance of the stars is such a contrast to the electric glow of the smartphone, computer, or TV screens that are so much closer to hand in our immediate experience. Though there are great blessings of communication, connection, and care that our technology provide us, our modern world also places its demands and expectations upon our days. These blinking lights, pinging notifications, and persistent alerts pull us into a rhythm of life that is at odds with our humanity. We must be mindful to make space for stillness, and intentional in our efforts to cultivate patience.

"We must be mindful to make space for stillness, and intentional in our efforts to cultivate patience."

We are going to have an opportunity to practice our patience in the coming months. As we step into the process of inviting an Interim Senior Pastor to our community, and begin the discernment of learning what we are looking for in a new Senior Pastor, we will be disappointed if we expect things to happen with rapid responsiveness. No matter how much I might long to gaze upon the brilliant blackness of God's cosmos, I have to wait until the darkening of evening to see its splendor. Some things in life are beyond our power to rush; beyond our ability to force to happen at the speed we would like.

And yet, even as we take these new uncertain steps together, even as we turn our thoughts and senses towards the movement of God's Spirit in our midst, we hear in scripture that God is with us – whether we can see God's presence or whether God is shining just beyond our perceptions. May you feel the presence of God uniting us in this time, and may you rest in the faithful and enduring love of the Divine.

Blessings,
Pastor Joe

What Pastor Tom's Retirement Means for Our Immediate Future as a Church

As you know, Pastor Tom's last Sunday was May 23rd. The council has been working with Pastor Jennifer Arnold from the Greater Milwaukee Synod Bishop's office over the last few months. We had our exit interview with Pastor Tom on May 5th.

At our May council meeting, we discussed a potential interim candidate. An interim is a Pastor who will walk with us as we determine who we are without Pastor Tom. That Pastor will also support us as we experience the loss of Pastor Tom. We

"Please remember that as Pastor Tom begins his retirement, he will not be able to have any contact with the Christ Our Savior members."

will not have an interim immediately and this Pastor can not be a candidate for our future senior pastor. During our search for an interim, Pastor Joe and our staff, along with supply pastors or seminarians, will continue to lead and support us as we prepare for calling a Senior Pastor. The preparation and process of calling a new senior pastor can take anywhere from 12-24 months. We will keep you updated regularly via the COS website, email/Constant Contact, the newsletter and Sunday bulletins and announcements.

Please remember that as Pastor Tom begins his retirement, he will not be able to have any contact with the Christ Our Savior members. This is not his or our decision. It is a policy of the ELCA. I believe that this will be harder on him than on us. We still have each other, and although it will be difficult, we can lean on our church family. Please continue to pray for Pastor Tom and Ruth as they begin their life without the relationships that they have built here at COS.

Council President

Challenge Gift

Support Ministries at Cross Lutheran & Bread of Healing
A member of our church has generously offered to match dollar for dollar any gifts up to \$15,000 to help support the vital ministry we partner with at Bread of Healing and Cross Lutheran Church in Milwaukee. This is a great opportunity to DOUBLE the impact of your gift. To take advantage of this, simply write Cross or Challenge in the memo portion of a check to Christ Our Savior and we will send it to Cross within a week.

Worship as the Country Loosens Up:

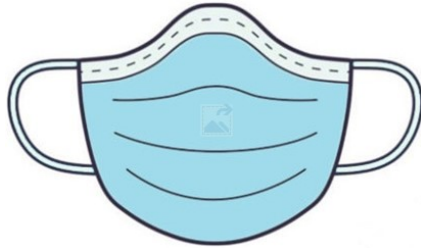

To wear a mask or to not wear a mask, that is the question.

The CDC has come out with a statement that if you have been vaccinated, you do not need to wear a mask and can resume activities as before the pandemic. They also stated that we should continue to follow state, community and business procedures. Basically, if a business says to wear a mask, then you wear a mask.

At our May council meeting (which was the day of the announcement), we discussed masks and physical distancing and our various worship options. The next day the Wisconsin Council of Churches came out with a “two out of three” concept. If you are outside, then you don’t have to wear a mask, however you still need to physically distance from others. If you are inside, then you should wear a mask and physically distance from others. Through the month of May, we will follow this practice. There are so many variables and groups to consider that we did not want to rush a decision. We only just began our Sanctuary worship on May 16th. At the beginning of June, please watch for a poll. We want to know your comfort levels for worshipping indoors.

This has been such a fluid situation that we will be sure to keep you updated regularly via the COS website, email/constant contact, the newsletter and Sunday bulletins and announcements. Please be sure to pay attention to the council or staff updates as they come out. Thank you and please pray for us as we continue to make decisions that impact us all.

Your Council President,
Maria Liedtke

TACOS Virtual Mode Updates and Beyond

TACOS Virtual Mode is still going strong into the spring months. This includes a new Friday activity called TACOS Teasers! TACOS Teasers are a Friday brain game on virtual mode that will run to the end of the school year. Here's how it works: If you can figure out the brain game and contact Wade with correct answer, your name will be placed into a drawing for a cool TACOS prize at the end of the school year! For every week you guess the correct answer for the brain game, you will receive an additional entry. So, make sure you test your brain and give each week a guess at your chance to enter for the TACOS prize!

We will also be working closely with COS youth this summer completing service projects and fun days with Hephatha Lutheran Church. Dates of service will be updated in communication throughout the summer from both Wade and Kim. So, keep your eyes open for exciting summer events!

As we mentioned last month, TACOS has resumed some small outdoor events and activities. The last two months, we successfully held a Campfire Night and Outdoor Movie Night! Please keep in touch with TACOS for any and all information about potential June events to come!

Matthew 25 Days of Service

Due to COVID-19, we are unable to participate in a week-long summer mission trip somewhere else or at home. So, instead of a weeklong trip, we will have Mathew 25 Days of Service. These days of service will be filled with service and fun. The cost of \$20 per day will cover one meal and the activity. You can choose to participate in all of them or just some of them. Our summer projects will include lunch making for Hephatha, lunches or snacks for the Milwaukee Guest House, roadside/Bug Line clean up and yard clean up. Some of the fun things we will be doing are swimming at the Hartford pool/water park, Milkmen baseball game, state and county parks, and much more! Here are the dates. How Can YOU Serve During Worship?

Worship Assistants Needed

We are so excited that we are able to worship in so many ways! You can worship in the sanctuary (8:30 a.m.), outdoors on our back lawn (10:00 a.m.), and virtually online (8:00 a.m. & 10:00 a.m.).

For our worship services to go smoothly, we need your help! You can serve in various worship assistant roles. We need lectors (virtual and in-person), ushers (hand out bulletins), altar guild (bag communion kits), offering counters, and a person to welcome & check-in folks (indoor service only).

You can sign-up on our website under volunteers [HERE](#). Slots are available now through August 2021. If you have any questions, contact Amy at amy@coslc.com.

Worship Team

Adopt-a-Garden

More than half of our garden beds have been adopted, but we still have 4 that need a caring individual or family to occasionally weed through the summer months and into early fall. Each area is small in size, so commitment is only 1-2 hours per month. You can adopt your garden plot on SignUpGenius. If you have questions contact Amy at amy@coslc.com.

Garden Share Time!

It's time to start sharing what you are growing in your gardens! Bring your garden produce to church and place it on the garden share table. Those who would like a veggie or two can grab them and leave a donation. All proceeds will benefit the Pine Ridge Indian Reservation in South Dakota.

COS Fish Fry Results

We had a successful to-go fish fry on Friday, April 23rd. Thanks for stopping by church to take home 1 or 2 or 6 fish fries! We collected \$685 and the proceeds will benefit Bread of Healing at Cross. While you were enjoying your delicious fish fry, you were helping feed the hungry. Also, thank you to our hard-working volunteers and Thrivent for their support with an action team.

Milwaukee Rescue Mission

Thank you to everyone who donated breakfast items for the Milwaukee Rescue Mission! The items will be used to make food baskets and will be distributed to vulnerable families facing food shortages. You are feeding hungry people!

Bread of Healing Meal

Wednesday, June 9th

Our next meal at Cross Lutheran is on Wednesday, June 9th. We have a dedicated group of 6 people who make this meal happen each month.

Serenity Inns

Tuesday, June 21st

Our next meal at Serenity Inns is on Tuesday, June 21st. If you would like to help with the meal, contact Hank Wallenkamp at 262-525-1211. Items for Serenity Inns can be dropped off at church inside the east doors (under the canopy) by Noon on Tuesday.

Spring/Summer Collection:

We'll continue our clothing drive for Serenity Inns through June. As you are cleaning out your closets, consider donating gently used shorts, shirts, hats, sunglasses, and lightweight jackets to Serenity

Inns. Donations can be placed in the bin in the east entryway. Thank you to those who have already donated items!

Building Hope in Haiti - Kicks for Kids Shoe Drive

Thank you for all the shoes! It took more than one trip with the trunk and backseat filled full to deliver all of the shoes to Our Saviors! They were thrilled with so many shoes. The organizer said "You are amazing!" That isn't for me, it is for all of YOU! Thanks for making a difference to the lives of people in Haiti.
